ABOUT ME

I'm a passionate Frontend Developer with a keen eye for clean, user-friendly design and a love for bringing ideas to life in the browser. Skilled in HTML, CSS, JavaScript, and modern frameworks like JQUERY, I thrive on creating responsive websites that not only look great but also deliver seamless user experiences. I'm always eager to learn new technologies and tackle exciting challenges.

EXPERIENCE

Web Development

- Aptech | Karachi

Frontend Developer

- I am a fresher Frontend Developer with a strong interest in web development.
- Through projects and practice, I have gained a good understanding of HTML, CSS, JavaScript, and basic React.
- I enjoy creating responsive designs and clean user interfaces, and I strive to learn new skills every day.
- I am comfortable working in a team and meeting deadlines.
